HOW'S YOUR LIVER?

Is the Oriental estimation, knowing that good health cannot exist without a healthy Liver. When the liver is healthy, the body is strong; and, consequently, the food becomes the stomach undigested, passing through the system rapidly, causing a feeling of headache, dyspepsia, and nervousness indicating that the liver is not strong.

Simone's Liver Regulator has been the means of restoring many cases of debility and languor by giving them a healthy Liver than any known to science. It is an extraordinary power and efficacy.
